1) USER ACKNOWLEDGMENTS:

- I have been truthful in giving my height, weight, age, and ability.
- I accept this equipment "AS IS."
- I agree not to transfer any rental equipment to any other user. In the event I do transfer any part of the equipment in violation of this agreement I agree to indemnify Buena Vista Ski Area against any claim, demand, losses, or damages arising out of the unauthorized use of this equipment.
- I will be responsible for the replacement at full retail value of any equipment not returned to Buena Vista Ski Area. I acknowledge my obligation to return this equipment by the agreed date in clean condition and agree to pay for any repairs in the event the equipment is damaged beyond normal wear and tear.
- **ALPINE SKI EQUIPMENT**: I understand that the ski boot/binding system will not release at all times or under all circumstances, that it is not possible to predict every situation in which the system will release, and the system is no guarantee that the user will not be injured.
- **SNOWBOARDING:** I understand that the snowboard boot/binding system is not designed or intended to release and will not release under normal circumstances. I understand that as the snowboard boot/bind system is a non-release system, it will not reduce the risk of injury during a fall.

2) EXPRESS ASSUMPTION OF RISK: I UNDERSTAND AND ACCEPT THAT THE ACTIVITIES ARE DANGEROUS and involve certain risks that cannot be eliminated regardless of the care taken to avoid injuries. The inherent risks associated with the Activities include, but are not limited to: walking or otherwise traveling within a ski area for purposes of engaging in Activities, loss of control; collisions with other persons; collisions with natural and man-made objects, whether padded or unpadded (including, without limitation, trees, rocks, stumps, holes, forest growth, downed timber, fences, posts, padded and non-padded barriers, lift equipment and towers, rope tows, light poles, snowmaking equipment, signs, buildings, and paved, wooden, gravel and dirt roads and walkways); collisions with over-snow vehicles (including, without limitation, groomers, snowmobiles, and utility or all-terrain vehicles); encountering marked and unmarked terrain features (including, without limitation, snowmaking mounds, moguls, jumps, ramps, half-pipes, rails, boxes, and other freestyle and terrain park features); encountering ice, bare spots, and debris; changes and variation in terrain and slope; changes and variation in weather, snow, surface, and lighting conditions; slips and falls on ice and snow; errors in loading, riding, or unloading a lift (including, without limitation, misloading, being struck by a chairlift, becoming entangled with equipment, and falling from a chairlift); the presence or absence of restraint bars on the chairlifts, and possible equipment failure and/or malfunction, including lift equipment and my own or rented or borrowed equipment. I understand that padding has limited protection and cannot prevent all injuries. Padding is there to inform and warn and will not protect me from injury. It is my responsibility to avoid padded, unpadded and other marked and unmarked objects. I understand that rescuing someone who has become unseated on a chairlift is difficult and dangerous and, should I become unseated, I accept that any rescue (whether one is attempted or not) may be unsuccessful.
